

THE GOVERNMENT OF THE REPUBLIC OF UGANDA
DEVELOP2BUILD STUDY PROGRAM

InvestInternational

EXPRESSIONS OF INTEREST FOR CONSULTANCY SERVICES TO UNDERTAKE STUDIES FOR IMPROVEMENT OF FAECAL SLUDGE MANAGEMENT WITHIN THE GREATER KAMPALA METROPOLITAN AREA.

(PROCUREMENT REFERENCE NO: NWSC/HO/SRVCS/2022-2023/180053)

1. The **National Water and Sewerage Corporation** (NWSC) is implementing the Develop2Build (D2B) Program with financial support from Invest International b.v. (II) of Netherlands.

2. The National Water and Sewerage Corporation now invites experienced consultants to submit their Expressions of Interest for Consultancy Services to Undertake Studies for Improvement of Faecal Sludge Management within the Greater Kampala Metropolitan Area.

3. **Scope of Services**

- i. Baseline and sludge study:
 - to develop a problem analysis and a baseline study describing the present situation
 - to perform a stakeholder analysis
 - to collect relevant sludge statistics
 - to assess the current situation of the sludge treatment facilities
 - to develop future forecasts
- ii. Sludge management strategy to identify clear objectives and recommendations for effective sludge management in the GKMA and identify the main areas of intervention.
- iii. Pre-feasibility study to assess and compare the alternative project options.
- iv. Development of an ESIA scope study and Terms of Reference.
- v. Provisional Market Strategy to identify different service delivery models for the project options.

This task involves assessing market potential, assessing financing sources, identifying the service delivery model and developing a provisional

procurement plan.

- vi. ESIA in line with Ugandan ESIA regulations and IFC Performance Standards. As published on 1 January 2012. (https://www.ifc.org/wps/wcm/connect/24e6bfc3-5de3-444d-be9b-226188c95454/PS_English_2012_Full-Documents.pdf?MOD=AJPERES&CVID=jkV-X6)
- vii. Technical feasibility study and detailed design. The selected alternative will be developed in more detail, along with detailed design.
- viii. Financial and Economic analysis to develop a financing plan, analyse the financial cash flow and financial sustainability, analyse the socio-economic benefits and assess the commercial viability of the project.
- ix. Development of a Project Plan, which will include a procurement plan, implementation plan, operations and maintenance plan, as well as a monitoring and evaluation plan.
- x. Preparation of tender documents for project implementation of transfer stations, as well as the new small faecal sludge processing units at Bugolobi WWTP; Lubigi FS/WWTP; and Nalukolongo FSTP (including the necessary modification of the existing plants).

Note: A minimum average annual turnover of EUR 1million (One million Euros only) for the years 2019, 2020 and 2021 is required.

4. Interested applicants may request to obtain the detailed Expression of Interest document by writing to:

The Senior Manager Procurement,
National Water and Sewerage Corporation,
Plot No. 18/20, 6th Street, Industrial Area – Kampala,
P. O. Box 7053, Kampala, Uganda
Telephone: +256-313-315484/801
Email: bids@nwsco.co.ug

Or obtain it from <http://tenders.dgmarket.com>

Delay to request for the expression of interest document by any prospective applicant shall be no basis for requesting an extension of the submission deadline.

5. The request must clearly state "Request for Expression of Interest Document for Consultancy Services to Undertake Studies for Improvement of Faecal Sludge Management within the Greater Kampala Metropolitan Area.

The National Water and Sewerage Corporation (NWSC) will promptly dispatch the documents by email, but under no circumstances will it be held responsible for late delivery or loss of the documents so emailed.

6. Applications for Expression of Interest must be submitted as four hard copies (1 Original and three Copies) as well as an electronic copy (one PDF file on USB stick only) in a sealed envelope or packaging, either delivered by hand or courier to:

The Senior Manager Procurement,
National Water and Sewerage Corporation,
Plot No. 43/49, 6th Street, Industrial Area–Kampala,
P. O. Box 7053, Kampala, Uganda

Telephone: +256-313-315484/801

not later than: **10.30am East African Standard Time (EAT) on the 5th January, 2023**

and be clearly marked "Application for Expression of Interest for Consultancy Services to Undertake Studies for Improvement of Faecal Sludge Management in the Greater Kampala Metropolitan Area, Uganda."

Please note that for granting a free and fair competition it is **not** allowed to send Applications by email. Expressions of Interest Applications sent by email will be **excluded** from evaluation.

7. The submitted Applications will be opened at the following address:

Location: NWSC, Procurement and Disposal Unit Offices
Plot No. 43/49, 6th Street, Industrial Area Kampala (U)
Telephone: +256-313-315484/801

Time: 1100hrs (EAT)

Date: 5th January 2023

8. Applicants shall not have the option of submitting their applications electronically.

9. Applicants will be advised, in due course, of the results of their applications. Only firms and joint ventures shortlisted will be invited to submit their proposals.
